

Dear Vicki and Jim,

It is a beautiful perfect day out and I hope it will be like this next week-end as we plan to go up to the cabin.

Last week I made 185 telephone calls for the campaign. I am glad that is over with.

Friday and again Monday I will take care of Robbie and Jennifer as their mother has gone to N.Y. to visit her folks. I am very happy to help out as they topped the fir tree way down that worried me.

These one dollar bills have been cut wrong as you can tell by the margins. I thought they might be collectors items so I wanted you to see them. What ever they are keep them. I don't want them back.

Dad has gone to get a haircut and we are going over to Donnell's tonight for dinner and bidge. I am going out to the chair lounge now for a little nap.

Love,
Mom.
